ABOUT US

One factory. The full string family.

From student outfits to hand-varnished concert instruments — and the cases to protect them — everything ships factory-direct, with your logo if you wish. Our inventory is produced and ready: most wholesale orders ship within days, not months.

Large standing inventory of student violins and cases. Ideal for rental-fleet replenishment and seasonal restocks.

Full Range

Violins, violas, cellos, double basses, electric instruments, and five series of oblong cases — one supplier, one shipment.
